## About Jeevan Himalaya Adventures

JHA is a tour company dedicated to creating personal travel experiences that go beyond basic sightseeing tours. Each itinerary has a special focus and most of our local guides are employed by us. All of them are experts in their fields and extremely knowledgeable about the region.

At JHA Tours, we believe *its not just going on vacation* – it's about having an unforgettable cultural experience. Our private tours are carefully planned and custom-tailored to meet your needs so your trip is everything you imagined... and much more!

At JHA we are very conscious of modern environmental concerns, as we know our customers are too, and consequently take great care in this regard when choosing our service providers.

## Travel India - tours in India

Mysticism, Exoticism, Spiritualism, Yoga, Ayurveda, Music, Religion, History, Heritage, Language, Nature, Wildlife and so many unimaginable aspects and facets make this Incredible Phenomenon – India.

We at Jeevan Himalaya Adventures offer customized hand-crafted voyages to India with the aim of bringing alive the soul and spirit of this fascinating and remarkable destination for you.

Whether you want to reenergize or rejuvenate through the sheer spirituality in the air, or by the mysticism in ancient rituals and practices, or by the exotic beautiful locales; or whether you want to experience the complete mind-body healing of centuries old Yoga-Ayurveda or be enriched by the history, religion, rich heritage, languages and colourful people... India Offers It All From North To South & From East To West.

The journey of Jeevan India can be done in Maharaja Style by staying at the most prominent luxury hotels and palaces, or by escaping into the serene settings of India's countryside and rustic wilderness.

A life-enriching learning experience is available to all our guests right here in India's heartland. Our insider's point of view guarantees you quality and customer satisfaction to the highest standards; this is our guaranteed assurance to you. Commitment and flexibility around your needs and desires while planning your trips makes each of our itineraries unique in appeal.

Rather than discovering India in the usual way as a herd of tourists, we at JHA completely involve you in the process of creating the ideal tour. We continue with our innovative programmes through our networks to bring even more comfort and enjoyment for our guests, and we also welcome their suggestions to us in this regard.

India, it is often said, is not a country but a continent. You come face to face with this country of more than one billion people upon landing at any Indian airport. India boldly presents herself to you. The site of the cycle rickshaws in the hustling Indian markets beside a Holy Cow or a snake charmer, the bustling street bursting with humanity – this can be overwhelming without the calm presence of our team, always standing beside you.

## Why Choose JHA?

At Jeevan, we strive to build personal relationships with you, our special guests. We bond as companions to share and follow our common dream of travelling and learning about India. Our tours show our passion for India, and we have created different themes according to your individual desires and interests. We have learned what our guests love over the years and based our tours on many year's experience. Our objective is to *unfold India to you as a complete soul-enriching experience* and not simply as just another holiday.

Your total, exclusive care is our aim, desire, and tradition.
